Jay: oh yeah! ooh baby a triple!

Chris: We is wrecking dem skrubs!

Suddenly a voice cuts in from online.

Unknown Player: Hey, anyone who can get a higher killstreak than me gets a free thumb drive!

Chris: You mean flash drive?

Unknown Player: Yeah, Yeah, whatever the point is no one will get it because no one can beat me!

Jay: Challenge Accepted.

A montage plays of Chris and Jay smashing controls wildly, they start standing up and screaming and cheering. Finally the screen shows the scores. Chris is in third.

Unknown Player: Well then... what's your address?

Jay: Uhhh it's uhh... (he laughs nervously then gives his neighbor's address.

Unknown Player: okay, it should arrive in like a week or so.

Jay: Cool

We fast forward one week. Jay is sneaking up to his neighbor's front porch.

Jay: There it is!

He grabs the package then sprints home.

once there, he opens the box and picks up a small green flash drive. He plugs it into his computer first making sure his antivirus software works.

The Computer shows a picture of the illuminati eye, plays the song, then this pops up.

OBEY

Jay: What the...

He is cut off by a screech then his computer shuts off.

Jay: Maybe i should get help...

He scrolls through his contacts before finally stopping on Sebastian. He calls for a moment when Sebastian finally picks up.

Sebastian: Hello?

Jay: Uhh yeah, hey i need your help

Sebastian: okay what is it?

Jay: i got this flash drive from some dude on the internet and now my computer is acting weird.

Jay: Just come look at the Frickin thing!

Sebastian: Fine! i will.

Sebastian goes over to Jay's house. They both inspect the computer with puzzled looks on their faces.

Sebastian: i don't know why this won't work...

Jay: i know right!

Sebastian: okay so i can't help you but i think i know someone who can.

Jay: Who?

Just then a large crash is heard and both of them run outside. They see two men in creepy and ominous cloaks running towards them with guns drawn

Sebastian: oMG! Run for dear life!

Suddenly Chris springs from the bushes and shoots one of the cloaked dudes.

Jay: What is going on!

The other cloaked dude points the gun a Chris. The dude fires but Chris dodges it Matrix style. Chris shoots the cloaked dude who explodes into ash and fire.

Jay: What... i... wha... just...

Chris: Calm down. i know what happened and i know how it happened but first you two have to come with me.

We show Jay, Chris, and Sebastian all walking towards a seemingly random house.

Chris: We are going to talk to someone who seems to know what's going on

Sebastian: That doesn't answer my question.

By now they all have made it to the door Chris knocks. The door opens and they all go in.

Chris: Hello?

???: Whazzup!

They all jump because the voice came from behind them. They all turn around and see Nico standing there. All smug face and stuff.

Sebastian: i thought you were going to bring us to someone who can help.

Chris: He can help!

Jay: i don't think you're right.

Nico: You know i'm standing right here. i'm just gonna pretend like you didn't say those things, follow me.

They follow Nico up multiple staircases until they stop in a room lined with bookshelves.

Jay: Where are we?

Nico: Welcome, to the grand library!

Sebastian: This looks like your attic, you just added bookshelves.

Nico: Shut up...

Nico is searching for something on one of the shelves.

Nico: Here it is!

He pulls a book off the shelf and lays it down on a table. He flips through the pages until stopping on one then pointing he

Nico: "one day a man would gain a unstoppable power. But this power contains something terribly dark. For good this power can do, it also

contains a powerful, evil force. it will destroy and conquer until none is left.”

Jay: Cool, i didn’t understand a word of that.

Nico: it means you unleashed evil upon the world.

Jay: oh, yay

Nico: But it also says that the chosen one can defeat this evil.

Sebastian: i didn’t hear that part.

Nico: Maybe i didn’t read it!

Chris: Uhh hey what exactly is this “unstoppable power”?

Nico: it’s the (dramatic pause) iNTeRNeT

Sebastian: So you mean Jay unleashed the power of the internet with a magic flash drive?

Nico: Yeah, that sounds about right.

Jay: Well, i got this flash drive from some dude online, where does he fit into this?

Nico: i don't really know doesn’t say in the prophecy.

Jay: oh okay.

Chris: okay so is the chosen one Jay? or is it the internet guy.

Nico: i don’t know i just own a book! We just have to hope it’s someone and that the certain someone doesn’t get killed.

Sebastian: Hey this secret power, is it like hunting us down?

Nico: i dunno why?

Nico: WHAT! okay, everyone remain calm just follow me.

They run over to a wall. A hand scanner comes out of it. Nico puts his hand on the scanner. it beeps then a door opens they rush inside.

Nico: everyone, grab a weapon of the wall to the right!

Chris: i call the the one that looks like a grenade launcher!

Nico: Ah, yes these have all been modified to be MLG so we can kill them.

Nico grabs what looks like a sword and a two red and black handguns. Jay grabs what looks like a blue sniper rifle that is shaped like a dragon, and Sebastian grabs a large multicolored gun. it is robotic looking and appears to have different types of music equipment like records, Cd players, and tape players.

Nico: Be careful with that. it is a prototype and is very unstable.

Sebastian: What is it?

Nico: A dubstep gun.

Sebastian: Cool.

Chris: What exactly is my gun?

Nico: A Dank Drank bomb launcher or DDBL for short.

Chris: Coolio

They walk a little further until they hear a crash. Nico opens up a box and hands each of them a can.

Jay: What are these?

Nico: Mtn Dew cans, obviously

Jay: Ugh... what... happened?

Sebastian: Someone HeLP!

everyone looks over and sees a wooden beam laying over Sebastian. He is trapped.

Jay: on a count of three everyone help lift this!

everyone gathers around and grabs an edge of the wood beam.

Jay: THREE... TWO... ONE!

everyone lifts with all their might till the beam can be moved Sebastian slides out of the way. They all drop it.

Sebastian: Holy Crap...

Chris: Look out!

A white light streaks overhead. They all duck until they see a car explode. A black helicopter lands next to them. The door slides open. A short person gets out the person is wearing a black helmet and body armor.

Nico: What, who are you?

The figure takes off their helmet
